

Access Control System Services We Offer

Access Control System Design & Installation

We design customized access control systems based on site layout, security needs, and access hierarchy. Our installation services include:

- Card-Based Access Control Systems
- PIN-Based Access Control Systems
- Biometric Access Control Systems
- Door Controllers & Lock Installation
- Multi-Door & Multi-Location Access Systems

Each system is configured to ensure controlled access and detailed activity logging.

Access Control Equipment Supply

We supply high-quality access control components, including:

- RFID Card Readers
- Biometric Readers (Fingerprint & Face Recognition)
- Electromagnetic Locks & Door Locks
- Controllers & Power Supplies
- Exit Switches & Accessories

All equipment is sourced from trusted manufacturers and ensures long-term performance.

Access Control AMC & Maintenance

To maintain uninterrupted security, we provide:

- System Testing & Commissioning
- Annual Maintenance Contract (AMC)
- Reader & Lock Health Checks
- Software Configuration & Updates
- System Expansion & Upgrades

Our AMC services ensure reliable access control at all times.

Types of Access Control Systems

Card-Based Access Control System

Uses RFID or smart cards for secure and easy access management.

Biometric Access Control System

Uses fingerprint or facial recognition for high-security and accurate identification.

PIN-Based Access Control System

Uses numeric codes for controlled access, suitable for low to medium security areas.

Multi-Door & Centralized Access Control System

Manages multiple access points from a centralized monitoring platform.

Why Choose Our Access Control Solutions?

- ✓ Certified Security System Experts
- ✓ Secure & Scalable System Design
- ✓ Advanced Access Authentication
- ✓ Seamless Integration with CCTV & Biometrics
- ✓ Competitive Pricing
- ✓ Reliable AMC & Technical Support

We focus on controlled access, data security, and operational efficiency.

Industries We Serve

- Commercial Buildings
 - Industrial Plants & Manufacturing Units
 - IT & Corporate Offices
 - Hospitals & Healthcare Facilities
 - Hotels & Hospitality
 - Educational Institutions
 - Warehouses & Logistics Centers
 - Residential Apartments & Villas
-

Access Control Compliance & Standards

Our access control systems comply with:

- Industry Security Standards
- Data Protection & Privacy Guidelines
- Local Authority Regulations

We assist with system documentation, compliance checks, and audits.

Frequently Asked Questions (FAQ)

Can access control systems be integrated with CCTV?

Yes, access control systems can be integrated with CCTV for enhanced security and monitoring.

Is biometric access control secure?

Yes, biometric systems provide high security and eliminate unauthorized access.

Do you provide access control AMC services?

Yes, we offer complete AMC services including maintenance, upgrades, and support.
