

Fire Extinguishers & First Response Fire Fighting Solutions

Reliable Fire Extinguishers for Homes, Businesses & Industries

We provide a complete range of high-quality fire extinguishers designed to control and suppress fires at the initial stage, minimizing damage and protecting lives and property. Our fire extinguisher solutions comply with national and international fire safety standards and are suitable for commercial buildings, industrial facilities, residential complexes, hospitals, schools, hotels, warehouses, and IT parks.

With proven expertise in fire extinguisher selection, supply, installation, refilling, and maintenance, we help organizations remain fire-ready, compliant, and safe at all times.

Fire Extinguisher Services We Offer

Fire Extinguisher Selection & Installation

We conduct fire risk assessments to recommend the right type, capacity, and placement of fire extinguishers. Our installation services include:

- ABC Dry Powder Fire Extinguishers
- CO₂ Fire Extinguishers
- Water Type Fire Extinguishers
- Foam Fire Extinguishers
- Clean Agent Fire Extinguishers

All extinguishers are installed as per fire safety norms for easy access and quick response during emergencies.

Fire Extinguisher Supply & Accessories

We supply certified and approved fire extinguishers along with essential accessories, including:

- Wall-mounted & trolley-mounted extinguishers
- Fire extinguisher stands & cabinets
- Fire buckets with stands
- Instruction labels & safety signage

All products are sourced from trusted manufacturers and meet statutory fire safety requirements.

Fire Extinguisher Refilling, Testing & AMC

Regular inspection and refilling are critical for reliable performance. Our services include:

- Fire extinguisher refilling services
- Hydrostatic pressure testing

- Annual Maintenance Contracts (AMC)
- Periodic inspection & tagging
- Replacement of expired or damaged units

We ensure all fire extinguishers remain operational and compliant throughout their lifecycle.

Types of Fire Extinguishers

ABC Dry Powder Fire Extinguisher

Suitable for Class A, B, and C fires involving solid materials, flammable liquids, and gases. Widely used in offices, factories, and commercial spaces.

CO₂ Fire Extinguisher

Ideal for electrical fires and flammable liquids. Commonly installed in server rooms, electrical panels, and control rooms.

Water Fire Extinguisher

Best suited for Class A fires involving wood, paper, and textiles. Recommended for schools, offices, and residential buildings.

Foam Fire Extinguisher

Effective for Class A and B fires, especially in fuel storage areas, workshops, and industrial applications.

Clean Agent Fire Extinguisher

Residue-free fire suppression, ideal for sensitive environments such as data centers and electronic equipment rooms.

Why Choose Our Fire Extinguisher Solutions?

- ✓ Certified Fire Safety Professionals
- ✓ NBC, IS & NFPA Standards Compliance
- ✓ High-Quality & Approved Fire Extinguishers
- ✓ Competitive Pricing
