

Safety Signages & Emergency Guidance Solutions

Clear Safety Signages for Homes, Businesses & Industries

We provide high-quality safety signages designed to communicate hazards, instructions, and emergency information clearly and effectively. Safety signages play a critical role in preventing accidents, guiding occupants during emergencies, and ensuring compliance with safety regulations.

Our safety signage solutions comply with national and international safety standards and are suitable for commercial buildings, industrial facilities, residential complexes, hospitals, hotels, schools, warehouses, factories, construction sites, and IT parks.

With expertise in safety signage design, supply, and installation, we help organizations create safer environments and meet statutory safety requirements.

Safety Signage Services We Offer

Safety Signage Design & Installation

We assess your site and recommend appropriate safety signages based on risk areas, occupancy, and regulatory requirements. Our services include:

- Fire safety signages
- Emergency exit & evacuation route signages
- Mandatory safety signages
- Warning & caution signages
- Prohibition signages

All signages are installed at visible locations to ensure maximum awareness and compliance.

Photoluminescent & Emergency Signages

We supply and install photoluminescent (glow-in-the-dark) signages for improved visibility during power failures, including:

- Exit signs
- Staircase direction signages
- Assembly point signages
- Fire equipment identification signages

Custom Safety Signage Supply

We provide customized safety signages based on site-specific needs, including:

- Reflective sign boards
- Floor marking tapes
- Machine safety labels
- Multilingual safety signages

All signages are manufactured using durable, weather-resistant materials.

Types of Safety Signages

Fire Safety Signages

Used to identify fire extinguishers, hydrants, hose reels, fire alarms, and emergency equipment.

Mandatory Safety Signages

Indicate compulsory actions such as wearing helmets, gloves, or safety shoes.

Warning & Caution Signages

Alert occupants about potential hazards like high voltage, slippery floors, or moving machinery.

Prohibition Signages

Indicate restricted activities such as no smoking, no entry, or no mobile phones.

Emergency & Exit Signages

Guide occupants safely during evacuations and emergencies.

Why Choose Our Safety Signage Solutions?

- ✓ Compliance with NBC, IS & International Standards
- ✓ High Visibility & Durable Materials
- ✓ Customized & Multilingual Options
- ✓ Professional Installation
- ✓ Competitive Pricing
- ✓ Timely Delivery
